Divesting from the Algorithms: A #BlackDirectory Showcase, Atlanta, GA – Curator,
JANUARY 2026

Coordinated the production of a weekend-long exhibition at the Haugabrooks Art Gallery and Event Space from January 30-February 1, 2026. Marketed the event on social media and in person through flyers and advertisements. Designed the digital and physical materials for the exhibition, including flyers, exhibition labels, graphics explain algorithmic bias, and surveys. Secured technology needs and grant funding. Installation of the technology and exhibition materials in the gallery. Contacted and compensated Black content creators based in Atlanta for the opening reception discussion panel centered on their experiences with algorithmic bias.
